Join us as a Partner in Health and enjoy the following benefits:

The **Tennessee Charitable Care Network (TCCN)** is Tennessee's network of non-profit clinics and programs providing free or reduced-cost health care services to those in need. We exist to support the work of our members through education, advocacy, funding, and networking.

TCCN was founded in 2014 to support Tennessee's community and faith-based clinics. Since then, it has grown from one part-time employee to a team of five full time staff members and growing!

The network currently has 42 members and enjoys the support of many community partners. Community and Faith-Based clinics or programs providing medical, dental, and/or behavioral health services are welcome to apply for membership, and others wishing to support the network may apply to join us as Partners in Health.
