

BECOMING A CONFERENCE SPONSOR OR EXHIBITOR

About our annual conference: “Closing the Gaps - It’s Now or Never”

The Tennessee Charitable Care Network (TCCN) is seeking Sponsors and Exhibitors for its upcoming annual conference “Closing the Gaps - It’s Now or Never” from Wednesday, September 28th through Friday, September 30th, 2022 at the beautiful Guest House at Graceland in Memphis, Tennessee. We are also offering a Mental Health First Aid pre-conference opportunity on September 27th.

TCCN is a grateful recipient of the TDH COVID-19 Disparities Elimination Grant. The conference focuses on the challenging but critical work of addressing the Social Determinants of Health (SDOHs) that contribute to health and other disparities in vulnerable populations.

“It’s Now or Never” is a play on the Elvis song of the same name and speaks to the sad truth that these gaps are well known and longstanding. The game-changer was the COVID pandemic shining a laser light on them. The nation could no longer look away. This moment in time presents the rare co-occurrence of a sense of urgency and CDC/TDH grant funds to take tangible steps towards disparities elimination. It truly is “now or never” for those in the ‘gap closing business’ including TCCN members, partners, supporters, sponsors, and new friends. All levels of clinical and non-clinical team members as well as community partners will discover invaluable information and resources at the “Closing the Gaps” Conference.

Benefits of Being a Sponsor/Exhibitor

The conference draws participants from around the state of Tennessee bringing together all who make our sector diverse, resilient, and essential. The Conference is an opportunity for leaders, staff, volunteers, and community partners of free and charitable programs to share best practices, learn about important developments, and support each other in the great work of the free and charitable clinic sector!

Sponsors are highlighted in a variety of ways, including in all conference marketing messages via social media, website, and print. An exhibit table and a list of conference attendees are included as well. Higher levels of sponsorship include registration and hotel. Please see the **Sponsor Package** for additional benefits of sponsorship by level.

Exhibitors enjoy the opportunity to network, gather contact information, and raise awareness. Attendees will have time specifically to visit the exhibit space - creating a prime opportunity for Exhibitors to have meaningful interactions with attendees. Please see the **Exhibitor Package** for additional benefits of exhibiting.

If you would like to support the TCCN conference, please access the application using [this link](#). Thank you for your support!

*The mission of TCCN is to support, educate, and represent non-profit organizations that provide charitable healthcare services to low-income, uninsured, and underserved Tennesseans.
TCCN envisions a strong, compassionate healthcare safety net for all Tennesseans in need.*
